

Tap Boxes UK Ltd

TAP BOX DATA SHEET

Insulated wall mounted outside Tap Box.

Comes with a latch fastening to take your own padlock or can be purchased with a camlock & keys to protect against unauthorised use.

Manufactured from Plastic Coated Steel.

Internal surfaces insulated. Also additional foam to be fitted over your tap.

Note: This unit is designed to help protect against fluctuations in severe weather conditions. In extreme conditions it is advisable to disconnect the tap from the water supply to avoid frost damage.
